Position: Child, Youth and Family Counsellor, Part-time

Job Summary: Providing clinical counselling, intervention and support services to at-risk children, youth, adults and their families who are faced with FASD and other invisible disabilities.

Qualifications:

- Registered Clinical Counsellor with a background in Social Work and/or equivalent combination of education and experience.
- Preferably 3-5 years of counselling experience.
- Demonstrated ability to organize and lead groups designed to teach participants personal and family management skills.
- Additional education/training and experience with children, youth and adults with Fetal Alcohol Syndrome or with individuals who have developmental brain injuries.
- Experience in establishing community education learning opportunities and comfortable with preparing and delivering presentations at workshops, conferences, etc.
- Research background a great asset.
- Current registration with an applicable health profession preferably with the BC Registered Clinical Counsellors Association.
- Must maintain a valid driver's license and have access to a vehicle.
- Completion of a recent criminal record check.

Job Skills:

- Strong team player and is able to work collaboratively with a multidisciplinary team.
- Ability to plan, prepare and conduct individual, family, and group counselling sessions according to client need.
- Excellent written, oral and interpersonal skills.
- Strong computer skills including proficiency in computer programs such as Microsoft Windows, Word, Publisher, Excel, Databases, and Powerpoint.
- SPSS Knowledge is an asset.

Days/Hours of Work: Flexible (days, evenings, occasional weekends)

Expected Start Date: September 2nd, 2008

Wage/Salary: \$32.00 per hour

Application Deadline: August 10th, 2008
