

SAVE THE DATE

The Richmond FASD Roundtable's 4th Annual Conference

March 6, 2012
10:00am – 12:00pm
Richmond Multicultural Centre
Performance Hall

Topic:

Fetal Alcohol Spectrum Disorder and Mental Health

Speakers:

Dr. Christine Lilley, and Allision Mounsey, MSW

Both speakers are with the Complex Developmental Behavioural Condition (CDBC) Clinic at Sunny Hill Health Centre for Children.

The FASD Richmond Roundtable was formed in 2008. It is a community initiative that builds FASD awareness through education and prevention.
